\* The fees given above, apply to the student joining that single subject only. Students joining more than one subject will be getting the benefit of discounted fees as shown below;

Subject Combo	Fees to be paid
F.M + K.O.M	7500 + 7500
F.M + K.O.M + M4	7500 + 7500 + 7500

**Note:**

- There is no compulsion of joining all the subjects together. Admission for the other subjects can be taken at a later stage as well (provided seats are available). As and when the student joins the remaining subject of the combo, he/she would be getting the entire benefit of discounted fees then. Until then, he has to pay full undiscounted fees.
- The **superscript (G)** written on the subjects represent that, these are the **Core Foundation subjects** for GATE, ESE Exams, Placement Interviews etc. The **superscript (V)** written on the subjects represent that, it has VIVA Exam as well.
